Curriculum

We are looking forward to reading our book Han das Surprise this term. We will learn about and taste lots of different fruits and think about taste that we like and dislike. In maths we will learn about tally charts and plot the fruits we like.

This term we begin our weekly Wednesday walks. We will learn about keeping safe and practise our listening skills.

We also have our annual trip this term. We look forward to using lots of energy at Escape soft play and enjoying it with our friends.

Our library day is Thursday. Children can choose a new book to bring home. Please send in reading folders that day and return previously borrowed books.

Please post celebrations from home onto Tapestry. We love to share them in class with our friends and teachers.
