Welcome

Welcome back to what we hope to be a dry and sunny term. We hope you all had a wonderful Easter holidays, it has been lovely hearing about all your adventures.

Please continue to upload pictures to tapestry, all of the children love sharing home experiences with peers and adults.

This term we are exploring...

Curriculum

This term our theme is 'Our Amazing World'. In English we will be exploring our world and trying to find answers to our questions about the world.

In maths we are focussing on interpreting graphs and information on pictograms, tally charts and graphs- We might be sending the children home with some questions for you so they can complete their findings!

In PSHE we will be thinking about how we can stay safe, both online, offline at school, home and in the community.

Cookery will continue to be on a Monday this term.

As we no longer will be going swimming on a Thursday, where possible we will be using this as our time in the community, linking to our amazing world and how to keep safe. If your child requires any equipment to enable us to go for walks in the community, please can these be brought in for Thursday's.
