Summer 1 Newsletter  
2024

Alison

Welcome back everyone! I hope you all had a lovely Easter break, by looking at Tapestry a lot of fun has been had.

This term our topic is...  
"Our Amazing World"

Curriculum

In Food and Nutrition, classes will make dishes that all have a multi-cultural theme and ingredients from around the world. Poppy Class will be using their class book Handa's Surprise as a base for their cooking and a range of fruits will be explored. Classes will be developing their pastry making skills with a range of fillings, different breads and fillings will be made, salads from around the world and sea related dishes for some will also be explored and made.

An exciting term is ahead of us. We will continue to emphasise the importance of numeracy in cooking. Weighing and measuring are always included in each lesson but this term we will also be focusing on dividing and sharing.

Please continue to send your children in with a labelled container to take their cooking home in and remember to save those chocolate/biscuit boxes as they come in really handy. As we move over to ParentPay for cooking money, I would also like to thank you for your support with cooking money.

A few changes this term:-

- Poppy Class will have their lesson on a Tuesday morning.
- Leopard Lily will have their lesson on a Wednesday morning.

Keeping in touch

Please continue to use the home school book or Tapestry to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email:
