Welcome

Welcome back to a new term and new class name! We have a busy term ahead and are looking forward to hearing all about what the students have been up to over the summer.

This term our focus is places I may visit

Curriculum

Our focus this term is on places we may need to visit. We will look at different services, what they do and the kind of things we would ask for or see.

In the 4D room we will continue this theme by exploring different places such as a dentist, bank or hairdresser. Communication and reading are our main focus throughout all lessons and students will be introduced to See and Learn this term to help encourage their reading.

Swimming will be taking place on a Monday and we will continue with our community visits working on our maths and communication skills. We will continue our enterprise work and Forest school, cooking and art will all be part of our week too.

In PSHE this term we will be learning about what makes a good friend and how to manage those relationships.
