### Welcome

Welcome back 'Redwood' and what a great first half term we had. I'm pleased to announce that all of the new pupils have settled in well. This half term looks to be a long one, but a fun one! Bring it on!

### This term our focus is...

People who help us

### Curriculum

This half term we continue on with our theme of community and people who help us, we did not get out as much as we would have liked last half term, but hope to do this more this half term. Our weekly community visits to the swimming pool and Tesco have been very successful and continue to be the highlights of the week. Our enterprise has proven very popular with hungry staff and the sausage baps have been a sell out each week. After careful deliberation (and lots of pestering from the staff) we have decided to offer bacon baps this half term. We are sure it's going to be very popular!! The buying and selling involved with our enterprise schemes, supports our money skills and most of us are well on our way to achieving our entry level 1 or 2 in our money unit within the OCR qualification.

Swimming, food and nutrition, art and PE continue. With food and art taking on the various themes of the different celebrations this half term and PE continuing with indoor games such as volleyball and tennis. We have lots to look forward to this half term including Christmas performances, a visit from Santa and a Christmas disco!
