Welcome

Welcome back to what we expect to be a busy term, especially with the dreaded "C" word! Welcome to Sam who has joined the team this term.

This term our focus is places I may visit

Curriculum

Our focus this term will continue on places we may need to visit. We will look at different services, what they do and the kind of things we would ask for or see. We are hoping this term to incorporate visiting a café when we are out to build on our communication skills.

In the 4D room we will continue this theme by exploring different places such as a dentist, bank or hairdresser.

Swimming will continue to take place on a Monday and we will continue with our community visits working on our maths and communication skills. Our enterprise work will be very busy as we try to make enough dog treats to meet the demand.

In PSHE this term we carry on learning about what makes a good friend, how our friends actions make us feel and how to manage those relationships.
