### Welcome

Welcome back 'Redwood' and just like that the first loooooong term is over! We hope you all had a great Christmas and a happy new year. We are looking forward to our new theme this term which will focus on hospitality and entertainment.

### This term our focus is...

Hopsitality and Entertainment

### Curriculum

This term the class will immerse themselves into the world of hospitality and entertainment. We will learn about different roles within the industry, develop associated life skills, meet knowledgable individuals and visit some new places. In our OCR studies we will work towards several home management units including food preparation and household tasks. To source ingredients we will need to continue our visits to the supermarket and this will also allow us to continue with our money skills, whilst our maths focus shifts to measure.

In PSHE we will begin our public and private sessions; developing a good understanding of our bodies, consent and safety concerning our bodies, appropriate and inappropriate behaviours, public and private spaces and our changing bodies.

Swimming, food and nutrition, art and PE continue. Our indoor games sessions took a bit of a hit last half term due to our dance performance, so we hope to pick up where we left off. We have lots to look forward to this half term including visists to a hotel, café, restaurant and a cinema. Next half term we hope to run some of own hospitality and entertainment events.
