Welcome

Welcome back 'Redwood'! This half term is packed full of special events, it's going to be a busy one! We have Science Week, Careers Week, World Book Day and our special Easter performances to look forward to.

This term our focus is...

Hospitality and Entertainment

Curriculum

This half term our hospitality and entertainment topic continues. We will continue to learn about different roles within the industry, develop associated life skills, meet knowledgeable individuals and visit some new places. We didn't get out as much as we wanted to last half term but do have lots to look forward to this half term. In Careers Week we will be welcoming different visitors, running a small pop-up café and visiting some local businesses. We also have an experience planned with Delaine and a cake decorator which will be very exciting! Science week also makes a return and with it arrives the chicks, some exciting experiments and a workshop on recycling. We will also begin to access public transport, visiting Market Deeping and Peterborough for a cinema trip!

Swimming, food and nutrition, art and forest school continue, however we have had a little swap around and now art and forest school will take place on a Wednesday instead. In PE and performing arts we hope to pick up our games sessions but also prepare for our Easter performance. Stay tuned for our next dance number!

Wednesday- Forest school and Art

Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email:
